I am petitioning to:

_____ fulfill the College language competency requirement by virtue of having lived and been formally schooled in a country other than the United States where I gained understanding of more than one culture and competence in a language other than English. I have described my situation below and am attaching documentation (e.g. copy or scan of school transcript or report card) documenting this experience.

_____ fulfill the College language competency requirement based on the high level of proficiency I have achieved through formal study and documented by a national or other agency (e.g. Common European Framework levels or other nationally recognized levels). I am attaching a high school diploma or equivalent and copy of an official certificate from the pertinent agency.

_____ receive credit for second or third year courses based on my placement. I have taken the course I placed into (_____) and completed it with a quality grade (attach copy of transcript or scan of quarter grade).
e.g. GRMN 20300

I would like to receive credit for these courses _____ for
e.g. GRMN 20100 and 20200

the compelling academic reasons described below:
