## What Should I Bring?

After receiving your housing assignment, you will want to contact your room/suitemate(s) (if applicable) to discuss what you plan to bring.

Your residence hall room will soon become your “home away from home” and we want you to bring items you will need as well as those that will help make you comfortable while living on-campus. Below is a list of suggested items to help you as your pack.

### Healthy & Clean

- Cleaning supplies (i.e., sanitizing wipes, broom, dustpan)
- Face masks
- First aid kit
- Laundry supplies (hamper/basket, detergent, hangers, iron/ironing board)
- Medication (prescribed and/or over the counter)

- Cooking/eating utensils
