

UChicago Housing & Residence Life

New Student Housing Application Open

Dear {{PreferredName}},

Welcome to UChicago! Living on campus is one of the most fundamental experiences of being a UChicago student. You will develop meaningful relationships, explore new ideas and have opportunities to get involved with the greater University community through programs and events held in the residence halls.

Completing your housing application is the first step of your on campus housing experience. To access the housing application, click on the myHousing Portal button below. You will need your CNetID and password to login. After logging in, select *Applications* from the navigation menu and choose the *2025-2026 - New* application. The deadline for completing your housing application is **11:59 PM on Monday, June 30**.

As you are completing your housing application, you may have questions. Our staff are available to answer your questions via [email](#) or through our live chat feature in the myHousing portal. Most emails are responded to within 48 business hours and live chat is available when staff can answer those inquiries in real time.

We look forward to welcoming you to campus this fall!
