Move In Is Almost Here

Dear {{PreferredName}},

We're excited to welcome you to your new home in just over a week's time. As you finalize your packing list and prepare to descend on campus, we are reaching out to share some move in resources.

Move In Guide

[Click here](#) to review a guide we have prepared to cover various details about moving to campus, including a suggested packing list, items to leave at home and information about directions and parking.

Move In Appointment

Help ensure a smooth flow of people and traffic during move in by arriving to your residence hall no earlier than 15 minutes before your selected move in appointment.

You can find your move in appointment by logging into the [myHousing portal](#), selecting *Applications > 2024-2025 - New* and navigating to the *Move In Appointment* step. Here you can also change your appointment or select one if you haven't already done so.

If you are participating in an on-campus Pre-Orientation program or are a preseason athlete living on campus, you do not need to select an appointment.

Make Move In Memories

Your move in experience is a moment. Turn it into a great memory by tagging us ([@uchicagohrl](#)) on Instagram to be featured on our page and using the hashtag *#movein24*.

We can't wait to meet and welcome you to campus!
