Orientation Team 2024

What is an Orientation Team Member?

The Orientation Team is a group of current students that assist in the facilitation and implementation of the College’s first year programs including the UChicago Mentoring Program, Pre-Orientation and Orientation Week. These students play an integral role in the welcoming and transition of the First-Year student population by serving as a role model, ambassador, and support system throughout Pre-Orientation, Orientation, and beyond.

What are the different roles I can apply for?

Though O-Team members will all work together toward the same goal of welcoming our newest students to campus, various segments of the O-Team will do this in differing ways. Below are the different roles that you can apply to be a part of, along with a short overview of the program’s mission.

Students are eligible to apply for any and all O-Team positions. If hired, students will only be selected to serve in one position. Further information on the can be found at oteam.uchicago.edu.
