Welcome University of Chicago students for the 2024-2025 Plan Year!

The University of Chicago requires all students to carry adequate health insurance to cover emergency and nonemergency care received in the Chicago area or the area in which the student will be residing during the school year.

The University partners with UnitedHealthcare Student Resources to provide the University Student Health Insurance Plan (U-SHIP), which is available to all¹ registered students at the University. As a registered student, each year you must act by either enrolling in U-SHIP or waiving² U-SHIP by showing proof of enrollment in another insurance plan that provides comparable coverage. Enrollment in U-SHIP is an annual commitment.

For students who register at the University in Autumn Quarter 2024, the deadline to make your U-SHIP enrollment or waiver decision is 12:00pm (noon) Central Time on October 18, 2024. Beginning August 1st, students can enroll in or waive U-SHIP by going to <https://studentinsurance.uchicago.edu>. On this website, you will either confirm your enrollment in U-SHIP OR you will waive U-SHIP by providing information about your alternate insurance coverage. Once you have enrolled yourself, you may enroll your dependents by following the instructions on the Dependent Enrollment page of the Student Insurance website.

Please note: Students who do not make their enrollment or waiver decision by the deadline will be default enrolled in U-SHIP and will be responsible for the annual premium payment of \$4,998 for the 2024-2025 plan year. Students must complete this enrollment/waiver process each year.

Please read this pamphlet carefully. It contains a brief description of U-SHIP plan benefits, as well as the additional benefits you receive by being enrolled in U-SHIP, such as 24/7 telehealth care, worldwide coverage if you study or travel abroad, and more. Detailed information about U-SHIP coverage and policies, including the complete Certificate of Coverage, is available at <https://studentinsurance.uchicago.edu> and at www.UHCSR.com/uchicago.

Whether this is your first time enrolling in an insurance plan or you already know a lot about the topic, you may find that you have questions about U-SHIP or the University's health policies. You may email your questions to: uchicagoadvocates@uhcsr.com, or call the on-campus student insurance coordinators at 1-773-834-4543 (press option #2).

Best wishes for a successful and healthy academic year!

UChicago Student Wellness³

¹Please check with your dean of students if you have a question about whether your program is considered insurance required.

²Effective 9/1/21 PhD students are required to enroll in U-SHIP and may not waive with comparable coverage

³Effective 9/1/22, students are not required to receive a referral from Student Wellness in advance of receiving services outside of Student Wellness. For maximum benefits on U-SHIP, students should seek care from in-network providers.

Why...

...Is a Student Insurance Plan Important?

Compare U-SHIP with other choices for health insurance coverage

Health care costs can be very high, so having insurance coverage for emergency and nonemergency medical services in the area where you will attend school is important. Carefully compare U-SHIP benefits and the UnitedHealthcare Choice Plus Network with the benefits and provider network of any alternate plan you may be considering.

- If you're covered under your parents' plan, coverage may end while you are still a student. Under the Affordable Care Act, health plans provide coverage for dependent children until age 26. With U-SHIP, you are covered for as long as you are registered as a student at the University of Chicago.

- Do you have coverage while you're away from home or abroad? Many HMO (Health Maintenance Organization) plans and state or federal-based Exchange plans purchased outside Illinois may only allow for emergency care while you are away from home. With U-SHIP, benefits for Covered Medical Expenses would be covered were you to need care while traveling in the U.S. or abroad.

- Deductible/Out-of-Pocket Max. Plans with high deductibles and high annual out-of-pocket maximums mean you could have significant costs to pay towards your medical expenses. U-SHIP's low deductible and low out-of-pocket maximum helps keep your annual costs down.

When considering which insurance plan to purchase, carefully consider your anticipated medical needs and the benefits of each plan. You can find detailed benefits for U-SHIP at www.UHCSR.com/uchicago. Consider the deductible, coinsurance, out-of-pocket maximum, copay, prescription drug coverage and provider network, among other benefits.

What...

...Is This Insurance Plan All About?

U-SHIP gives you the freedom to choose a Preferred Provider or an Out-of-Network Provider and still receive benefits for Covered Medical Services. Please note that your level of coverage is greater if you choose a provider who is in-network, or a "preferred provider." To search for a provider, use the "Find Providers" feature on the UChicago page of [UnitedHealthcare's website](#) to search for in-network providers for medical benefits, and Behavioral Live and Work Well for psychotherapy benefits. Here's a brief description of the plan benefits.

How...

...Much Does It Cost?

The Annual Premium

The chart below shows the cost for the annual policy. Generally, students are enrolled on an annual basis and billed for the plan in three installments on their student account in autumn, winter and spring, without additional billing for coverage during the summer. Regardless of which quarter a student enters the University, the Spring Quarter premium provides coverage from the start of Spring Quarter through August 31. Students whose first quarter of enrollment is Summer Quarter will be billed for that period's premium on their Summer bill.

U-SHIP Plan	Annual	Quarterly
Student	\$4,998	\$1,666
Student + Spouse/ Partner	\$9,996	\$3,332
Student + Child	\$9,996	\$3,332
Student + Spouse/ Partner + Child	\$14,994	\$4,998
Student + Spouse/ Partner + two or more children	\$19,878	\$6,626

This guide highlights some of the features of U-SHIP, including the health insurance plan based on Policy Number 2024-451-1 and underwritten by UnitedHealthcare Insurance Company. Please go to www.UHCSR.com/uchicago to download the University of Chicago Student Health Certificate, which contains additional essential information about the policy and a description of coverage, including benefits, exclusions, any reductions and limitations, and the terms under which the coverage may remain in force.

The master policy is on file at the University and contains all of the provisions, limitations, exclusions and qualifications of the insurance benefits. The master policy is the contract and will govern and control the payment of benefits. If there is a discrepancy between this document and the master policy, the master policy will prevail.

If you have any questions, please contact Customer Service at 866-348-8472 or customerservice@uhcsr.com.

The Policy is a Non-Renewable One-Year Term Policy.

When...

...Do I Enroll or Waive Enrollment in U-SHIP?

Student Health Insurance Requirements

Each year, all registered students* must confirm enrollment in U-SHIP or waive U-SHIP² by providing proof of active coverage under a comparable health insurance plan.

To enroll or waive U-SHIP enrollment, go to <https://studentinsurance.uchicago.edu> and follow the online instructions. Once you have enrolled yourself, you may enroll your dependents by following the instructions on the Dependent Enrollment page of the Student Insurance website. The enrollment/waiver deadline is 12:00PM (noon) Central Time on October 18, 2024, or 12:00PM (noon) Central Time on the third Friday of the first quarter of study.

If you do not make a selection by the enrollment deadline, or if your application to waive coverage is denied, you will remain enrolled in U-SHIP for the 2024-2025 Plan Year and you will be charged the annual premium. To ensure students' alternate insurance coverage meets University requirements for comparable coverage, waiver requests are subject to audit.

²Effective 9/1/21 PhD students are required to enroll in U-SHIP and may not waive with comparable coverage.

*Please check with your dean of students if you have a question about whether your program is considered insurance required.

Coverage Periods

Annual	09/01/24 - 08/31/25

Winter Quarter	01/01/25 - 03/23/25
Spring Quarter	03/24/25 - 08/31/25
Summer Quarter (for students who begin their program in Summer Quarter)	06/16/25 - 08/31/25

The All Kids Healthcare Program at illinois.gov/hfs is another option for children.

Where...

...Do I go to get Medical Care and/or Psychotherapy?

Students are encouraged, but not required, to first go to UChicago Student Wellness to receive medical and/or psychotherapy services unless they are experiencing an emergency. Most services received at Student Wellness are covered, at no cost, for students in eligible programs. For a list of services provided by Student Wellness visit: <https://wellness.uchicago.edu/about/services>.

Additionally, for **medical services**, students on U-SHIP may visit any UnitedHealthcare Choice Plus Network provider directly. No referral is required. The list of providers in the Choice Plus Network is available through the student's MyAccount with UnitedHealthcare Student Resources. Copay and co-insurance charges will apply as per the policy. Please review the "What" section of this document for more details.

Students may seek **psychotherapy** and other covered **mental health services** from a provider in the United Behavioral Health Network. No referral is required. The list of behavioral health providers can be found by accessing "Live and Work Well" through the student's MyAccount with UnitedHealthcare Student Resources. Copay and co-insurance charges will apply as per the policy.

To learn more about Preferred Providers, visit www.UHCSR.com/uchicago.

²Effective 9/1/21 PhD students are required to enroll in U-SHIP and may not waive with comparable coverage.
